

January 10, 2018

Hi Friends,

The Virginia Junior Paint Horse Club (VjPHC) has seen its membership grow in the last year. We are very excited about that. We also have three VjPHC members serving as National APHA Youth Directors. These members are Maryann Johnson, (VjPHC President), Madison Martin (VjPHC Vice-President) and Mya Martin (VjPHC Treasurer). Madison Martin is also the current Secretary of the American Junior Paint Horse Association (AjPHA) Executive Committee and was named the 2017 AjPHA Youth Member of the Year. In addition to all of this, our VjPHC was honored with the 2017 AjPHA Youth Club of the Year award. This is very exciting for the club. We also have many members involved at their local level.

As we look to the year 2018, we would like to strategically partner with professional trainers, businesses and individuals who are committed to investing in the youth of the Virginia Paint Horse Club. This financial investment helps to train us to become effective youth leaders and partners in the Paint Horse Industry. We are blessed to have the opportunity to learn from the adult membership at our state and national level and want to take advantage of every opportunity that we are given.

We are asking that you consider being one of our 2018 youth sponsors. The sponsorship levels are explained on the Sponsorship Form and we want to thank you for believing in us and allowing us to prepare to be the future of the American Paint Horse Industry.

*Thank
you*

2017 Sponsorship Form

The Virginia Junior Paint Horse Club (VjPHC) is looking for 2018 Club Sponsors. These youth members are the future for the Virginia Paint Horse Club. This club consists of enthusiastic youth members who are involved in leadership at the national and state levels and youth members who are active in their own communities across the state. As you know it takes money to provide these opportunities for the youth members. Many of our members are active in their local 4H clubs also. This year our youth members are fundraising to attend the APHA Youth World Show and to provide a gift to the APHA CHAMPS program. All of these opportunities require funding. VjPHC is seeking key sponsors to provide the funding necessary for the club. We are excited that 10% of every sponsorship this year will be donated to the AjPHA Youth Presidential Project, CHAMPS.

Will you consider being one of those sponsors who invests in the future of our Virginia Paint Horse Club?
