

2018 VPHC Color Classic Stallion Service Sale Rules

1. The Virginia Paint Horse Club (VPHC) Color Classic Stallion Service Sale (CCSSS) is open to APHA, AQHA and Thoroughbred (Jockey Club) registered stallions standing for the 2018 breeding season.
2. For an APHA, AQHA, Jockey Club and VPHC registered horse to be eligible to compete in the VPHC Color Classic Futurity the horse's sire must be nominated to the VPHC CCSSS and sell in the CCSSS during the current competition year.
3. Stallions' breedings are sold on a first come first served basis at half of the advertised breeding fee plus a \$20 office fee per service sold.
4. A stallion's breeding must SELL in the CCSSS during the current competition year in order for his offspring to be eligible to compete in VPHC Color Classic Futurity classes.
5. All stud fees, including Private Treaty, must meet the minimum stud fee of \$300 in order to participate in the CCSSS program.
6. Stallion nomination forms must be completed by stallion owner or stallion agent and submitted to the VPHC CCSSS Chair. Stallion nominations will be accepted beginning on October 1, 2017 through May 1, 2018.
7. Breedings are sold on a first come first served basis. Any breeding not paid in full within 7 business days of purchase will be relisted. The 2018 sale will open on November 15, 2017 and run through June 1, 2018. Any purchases after June 1, 2018 require stallion owner approval.
8. Make checks payable to VPHC CCSSS. Payment is also accepted via PayPal with a 4% convenience fee.
9. There are NO refunds for VPHC CCSSS purchased breedings and VPHC CCSSS breedings may NOT be resold.

10. Mare owners must comply with the stallion's breeding contract. Booking fees, chute/collection fees and shipping fees are NOT included in the CCSSS purchase price and are payable to stallion owner or stallion agent as identified in breeding contract. All matters that arise following the purchase of the breeding through the CCSSS will be handled by the stallion and mare owner directly without any involvement by the VPHC.
11. The resulting foal of the CCSSS breeding will receive ONE FREE ENTRY into the Color Classic Futurity. This FREE ENTRY may be used through the resulting foal's 3 year old year. This free entry allows the resulting foal to compete in one Color Classic Futurity class REGARDLESS of whether the foal's sire sold in the CCSSS during the current competition year. To compete in additional Color Classic Futurity classes the foal must meet the CCSSS rule requirements. This free entry is not transferrable and may only be used on the resulting offspring from the VPHC CCSSS breeding. The FREE ENTRY certificate must be presented at the time of entry.
12. Owners of CCSSS nominated stallions will receive a free VPHC individual membership (upon request). If the stallion's breeding sells, the stallion owner will receive ONE FREE ENTRY into the Color Classic Futurity to be used through the resulting foal crop's yearling year (to include the competition year in which the breeding is SOLD and two additional competition years). This free entry may be used on ANY horse that is sired by the nominated stallion. The FREE ENTRY certificate must be presented at the time of entry.
13. If the stallion DOESN'T SELL by June 1st, the stallion owner may pay a "Buy Back/Repurchase Fee" as described on the stallion nomination form. The stallion owner will then receive ONE FREE ENTRY to be used during the current competition year that the breeding was REPURCHASED. These free entries may be used on ANY horse that is sired by the repurchased stallion. The FREE ENTRY certificate must be presented at the time of entry.
14. Buy back/repurchase of a donated service by anyone other than the stallion owner will receive ONE FREE ENTRY to be used during the current competition year that the breeding was REPURCHASED. Stallion owner approval of repurchase is required. This free entry may be used on ANY horse that is sired by the repurchased stallion. The FREE ENTRY certificate must be presented at the time of entry.
15. All funds generated from the VPHC CCSSS (100%) (excluding the admin fee) will be paid out in the 2017 Color Classic Futurity classes held at the VPHC Color Classic Futurity Show.
16. VPHC is not responsible for the accuracy of any information provided on nominated stallions, including, but not limited to pedigree, genetic testing results, show records, progeny, or other program eligibility. Please contact the stallion owner directly prior to purchasing a breeding.
17. VPHC reserves the right to alter the conditions of the CCSSS as necessary.
